

SHOR-LINE®

CAGES

Our premium cages are made from high-quality Stainless Steel and feature a fluid-retaining lip, 1"-square tube frame, sound dampening latch and durable hinges.

KENNEL RUNS

Modular kennel runs offer long-lasting, secure enclosures in Stainless Steel or galvanized with a selection of Stainless Steel, PVC and mesh panel options.

CAT CONDOS AND SUITES

Colorful cat condos and suites provide comfortable housing to feline patients and boarders. Made from MRB (moisture-resistant board) and available in a selection of colors and four standard sizes (Ask about our new Feline Comfort Suite that is virtually impervious to liquids).

TUB TABLES

Versatile Tub Tables are available in white or almond laminate as well as Stainless Steel. Choose standard door and drawer configuration. All include a Stainless Steel tub with two-piece grill top.

ANESTHESIA

All Shor-Line anesthesia machines come with Safety Pressure Relief valve to help avoid pop-off valve closure accidents. All units come with a selection of breathing circuits and bags. The Pureline M6000 also includes an oxygen concentrator to make O₂ from room air. Vaporizer, dual "E" tank manifold and bottles sold separately.

Plus Mobile Anesthesia
